Received **CPTED has evolved into a 3rd Generation for** 
Abstract **21st Century design – sustainability, food,** 
practice by introducing a holistic theory called Third-Generation CPTED. We use Third-Generation **health, livability** 
and the social ecology/neighbourhood focus of Second-Generation CPTED, by creating a new theory that integrates human motivation and aspirations within a neighbourhood Liveability Hierarchy.

TRANSCENDENCE &
SELF ACTUALIZATION

SELF ESTEEM & LOVE

PHYSIOLOGICAL NEEDS - SAFETY

Maslow's
hierarchy of
needs
described
basic human
needs

3rd Gen CPTED: Design for healthy food options and green walls
